Jesus wants to Surf with us!

Title: **How to Find, Enjoy and Surf God's Waves**

- These are not skills God wants us to have, but Identities that exist within us. The Movie Moana, has plenty of great Songs, but it is a movie about calling and courage and waves. God is calling us, as He did Isaiah..., as He Did Peter to walk on Water, as He did with Paul as Pastor talked about last week.

2. **God Creates the Waves- How? by His Holiness...**

- a. Waves are formed by the Sun, (Winds/ Storms, etc.) that are all part of God's Creative power.
- b) Holiness is the power behind the waves... Rev. 22
- c) God's Holiness is not for judgement but to be imparted

3. **Who are we to ride such waves?**

- a) His Children!
- b) Holiness is imparted by a coal, by a river, by a savior, by faith. Woman with an issue of Blood. Luke 8:43-48
- c) Jesus imparted Holiness by forgiving sin, and that forgiveness imparted his Healing- His Wholeness (Holiness) to others, hence the laying on of hands.
- d) We are the temples of God shining His light, being bubbles of Grace and trees of life- surfers of His waves- going where He sends us, as he sent Isaiah. Isaiah 6.
