# **OUR REAL THING TOOK THE STING SO WE CAN GET THE ANTI-TOXINS, NOT TO MAKE IT TO HEAVEN, BUT TO SOMETHING BETTER...GOD.**

- **FIRST COCA COLA IS NOT PROVEN TO FIGHT ALL INFECTIONS. IT CAN KILL SOME BACTERIA IN SPECIFIC SITUATIONS, BUT STOMACH ACID IS STRONGER THAN COKE, SO TO USE IT TO KILL GERMS MAY NOT BE A REAL THING...**
- **BUT THE HEART INFECTIONS OF THE WORLD CAN BE PREVENTED BY OUR SAVIOR, MORE BEAUTIFUL THAN HEAVEN ITSELF. SATAN IS LIKE SANTA CLAUS, HE WANTS TO GIVE US OUR DESIRES, AND GIVE UP JESUS.. THE ONLY TRUE REAL THING! DISCIPLES ARE THOSE WHO CHOOSE TO HAVE HIM AS OUR TEACHER**

**JESUS IS IN A CATEGORY OF ONE...  
NOT BECAUSE HE IS THE BEST AT  
RELIGION, BUT BECAUSE HIS LOVE IS  
MORE POWERFUL THAN MISTAKES,  
AND OUR HEARTS ARE PRECIOUS TO  
HIM, MORE THAN OUR WORKS, AND  
OUR WORKS COME BY BECOMING  
MORE LIKE HIM AUTHENTICALLY, NOT  
BY AVOIDING SIN.**

# RECAP: BETTER IS ONE DAY IN YOUR COURTS... THAN THOUSANDS ELSEWHERE...

- Jesus is Unique... but so are we... a category of one, authentic, able to make people's ears burn... Didn't we know there was something about him... God is calling us to be excited about him... to make people excited... to not just teach but to PREACH... to Root for his team, not just follow when convenient... To watch the games... To get tickets if you can...
- The Rebellion of Korah shows an infection that had to be rooted out totally. You don't play with infections... and that is that makes the old and new testaments Different.
- The Old Testament treated infections of the Heart (and genetic code, and of the Body VERY seriously. Man learned how to treat infections, Leprosies, etc. and it Looks Cruel.
- The new testament is mostly different (except for Annias and Sapphira. Acts 5:1-10) Death not expected of the enemies, and if it happens, God does it. Herod is another example. Acts 12:21-23. God did take folks out, but rarely... and he doesn't ask us to.
- We have to guard our hearts and Minds and it means to make God our Heaven... Not Power, not authority, Money, Pride, etc. Satan May see us as an infection... and did not want us to be a part of the Heavenly order of things. He is like the Prodigal Son's Brother that didn't want the brother to return because he knew God/The father would forgive him and his authority would be weakened. We don't know for sure, but Like The Sons of Korah who were not swallowed by the Ground but became Doorkeepers, They made their Declaration... Better is one day Ps 84 Choose ye this day who you will serve and follow and long to spend life in Heaven with and under his leadership.

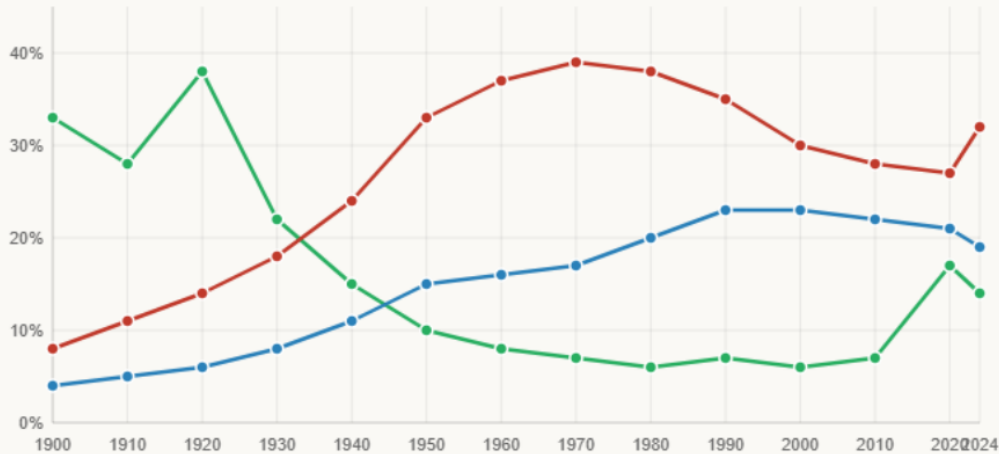

## Psalm 84:10

Better is one day in your courts than a thousand elsewhere; I would rather be a doorkeeper in the house of my God than dwell in the tents of the wicked.

# Why is Infection so important to God?

1. This Chart is the percentage of Deaths of the top 3 killers in the past 120 year, really of all time! There was not a change until 1930.
2. Big moments on this list... Plagues, Outbreaks ( Spanish flu, Aids, Covid19) , Inventions- Antibacterials, vaccinations ( like Polio), Cigarettes (Cancer), the decline of smoking, Statins in the 1980s (Heart disease), etc.
3. Why Here Why now? What does this have to do with Luke 24, Jesus, and Questions people have when they are Bumped?
  - A. The God of the Old testament was Ruthless (Ok he had a Ruth...) and he asked the people to Kill EVERYONE including animals and kids in a city, etc. The only reason you do that is to kill an infection... To Circle the city and not let anyone in or out (except maybe Rahab and her family- so mercy and Choice still played a part).
  - B. External Vaccine, Kosher food rules, etc. are important for keeping people alive, worm free, etc. In a quarantine you have to see who survives because they build up immunities to the deadly disease. Where do we get Snake anti venom from? From an animal that pretty much can't be taken down by almost any snake.- the \_\_\_\_\_
  - C. There was an infection in the world Hybrid humans... the Giants... Some say that is why God Flooded the earth to get rid of the impure blood line... that had become violent.
  - D. Who are you Wearing inside? Biologically that sounds like a vaccine.
4. John didn't judge the Pharisees, He described them.... Like Describing who an enemy is... For as long as man existed, his enemy was external... Wars, Disease, etc. but now it is a heart issue. It was always a heart/Choice issue, but now we have to act like it, own our Choices... Jesus is the Vaccine... The cure for the poisonous snakes... We have to act like our lives and our true legacy depended whose side we will choose Like Korah's Family...

■ Heart disease ■ Cancer (all) ■ Infectious disease

Sources: CDC/NCHS, WHO, Our World in Data, JAMA. US-centric; pre-1950 figures are estimates. 1920 spike = Spanish flu. 2020 includes COVID-19.

# The External Infection (One Theory... )

## Hybrid humans Giants

**Gen 6:** <sup>3</sup> Then the LORD said, "My Spirit will not contend with humans forever, for they are mortal<sup>b</sup>; their days will be a hundred and twenty years."<sup>4</sup> The Nephilim were on the earth in those days—and also afterward—when the sons of God went to the daughters of humans and had children by them. They were the heroes of old, men of renown.<sup>5</sup> The LORD saw how great the wickedness of the human race had become on the earth, and that every inclination of the thoughts of the human heart was only evil all the time.

- ➔ We don't know for sure, but the context is interesting... Connected to the Flood. Connected to Violence internal and External...
- ➔ Humans have souls that last past the death of their body. But we are promised a Resurrection.
- ➔ Angels cannot die because they don't have physical bodies, only spiritual bodies. The children of human-sons of God (angels) Nephilim offspring would be hybrids. Their bodies could die, but they would have spiritual bodies that would not die. They would be like ghosts, or better- DEMONS...
- ➔ When Satan was cast out of heaven, Isaiah 14:12-15 many of his angels **Rev 12: 4, 9** **4 Its tail swept a third of the stars out of the sky and flung them to the earth....** <sup>9</sup> The great dragon was hurled down—that ancient serpent called the devil, or Satan, who leads the whole world astray.
- ➔ He was hurled to the earth, and his angels with him. These were organized spiritual beings, not wanderers over the earth. Some of these angels may have been the angels who had kids with human women. These angels were put into the pit... The different levels of hell were known by the demons, and most people (even Greek people) during 2<sup>nd</sup> temple Judaism (Jesus' time).

Before Jesus died, how you lived your life did not matter. It was just what you believed... It is who you are and the choice to follow Abraham.

## TRUE or FALSE?

The Rich man and Lazarus Luke 16 is clear about East and West Sheol. One side is torment, the other is not... but it was based on the lives they lived (not just sin), Love (Like David) but in faith (Like Abraham and his works showed his faith), If they cursed God for their torment or not (Lazarus), repentance and fear of God and covering of their sin- (Job) before hand.. but neither is HELL as we think of it, not Heaven, only the time before The great white throne and the Lake of Fire.

We have until we die to Choose Jesus as Lord.

TRUE or FALSE?

This sounds true, but Free will is limited... especially with Spiritual beings, like angels, but also humans. For example God hardened Pharoah's heart. He chose to oppose God but once he did, his path was set. This might be the case with people like Hitler, and others. At some point we stop having a choice to do the right thing. **FREE WILL IS TIME BOUND!** Everyone has enough time, but harden not your heart. The current leading cause of Death is Heart disease!

# Why is there an afterlife BEFORE Heaven ?

1. Spiritual beings are not made to die, and as beings that have the breath of life in us, we too have a soul that lives beyond our physical body. This includes angels, etc. This understanding leads to belief in Ghosts, Pearly gates, etc.
2. There are 4 Detention centers **your soul can go to after you die**... Time does flow there.
  - I. Good side Sheol,
  - II. Bad Side of Sheol
  - III. The Tataris- the Abyss/Pit –( For the Fallen angels From Gen 6, and whoever else he would Send... NOT SATAN)
  - IV. The Earth?? (Like Satan, Fallen angels, Ghosts and Demons? )
3. There are 2 more places... **Final Places that are divided at the Great White Throne Judgment**...
  - I. New Heaven/Earth, Where those who choose God through Jesus go.
  - II. The Lake of Fire Where Those who do not choose God go, including the detention centers.
4. Fallen Angels (and their leader Satan) are over the earth, Like the Prince of Persia in Daniel 10: 20. They are not in the Pit (other than a few).
5. We will discuss what the Bible says happens after death later, but there are only 2 places we can end up. With God or the Lake of fire.

# 4 Levels of Temporary after life, Watchers, Nephilim, Demons, Lazarus/Rich Ruler, etc.

# Who Flesh are you Wearing?...

Luke 24:1-8 Revisited **Resurrection... The reconnection of Heaven and earth... Body and Soul. Jesus was first. When Jesus returns, those whose names are in the Book of Life get their new bodies.**

**Why are you looking for the living among the dead?**

- **24** On the first day of the week, very early in the morning, the women took the spices they had prepared and went to the tomb. <sup>2</sup>They found the stone rolled away from the tomb, <sup>3</sup>but when they entered, they did not find the body of the Lord Jesus. <sup>4</sup>While they were wondering about this, suddenly two men in clothes that gleamed like lightning stood beside them. <sup>5</sup>In their fright the women bowed down with their faces to the ground, but the men said to them, “Why do you look for the living among the dead? <sup>6</sup>He is not here; he has risen! Remember how he told you, while he was still with you in Galilee: <sup>7</sup>‘The Son of Man must be delivered over to the hands of sinners, be crucified and on the third day be raised again.’
- So the Question is, how do we get our names into the Lambs book of Life?
- It is a List, so it is not something you have to earn, but it contains the names of those redeemed by the blood of Jesus. How do people get redeemed? How Do we return Bottles?
  - They must be Emptied of there former Contents...We must die to ourselves and Choose God’s way on His terms.
  - They Must be Clean (Rinsed)- This is where The blood like water cleans us.. Repentance says, I got stuff in me.
  - We must choose to go to where the Redemption takes place- Follow Jesus on His terms...

# What is going on in this Chapter: Now what but Who we are wearing?

1. We see that **Jesus is in a category of one..**

2. Two **People – 2 Disciples- (one Cleopas and the other not mentioned) have had their cups bumped and almost turned over...** not merely jostled. Jesus' questions on the Emmaus road connected with people. **Are you the only one who hasn't heard...** Frustration at him, rather than just telling the story...

3. He gets demoted to a Prophet.. Jesus Calls them Foolish... **Are you the only ones who haven't heard the scriptures that said these things would happen?**

4. **He was going to keep going, but they wouldn't let him.. They wanted more...** He sounded like their teacher... Their eyes were opened, not by teaching but by Communion... AI can fake appearance, but it can't fake connection. THEN he disappeared.

5. **The disciples were told...** Peter saw Jesus First (of the disciples) and many use that to indicate his preeminence.. I'm not sure about this reasoning... The women saw the angels first, and the 2 men on the Emmaus road before the disciples.. We tend to read into things, but Peter was restored.

## **What is means for us who have heard from Jesus on our Emmaus Roads...**

6. **As ambassador's we are Chosen, by Who we are wearing...** Especially when the Bumps come, and especially when they come because we were doing our Job as ambassador right. John was an elite ambassador representing Heaven, and they kicked him out of the country! They killed him... Are you willing to Die for someone else? For Your heavenly Country? Losing your pension? Losing your family?

7. **God is not looking to punish people, but to give them a purpose and Testimony through challenges. We are judged, not by our actions or sins, but by who is in our cup? By how we wear our clothes.** [Matthew 22:11-14](#) We go through the same stuff everyone else go through, the bumps, the failings, the losses, the trauma. What makes us different? We have HOPE in a God that brings us out of INNER captivity. When Bumped we go to Him for Clarity, as John asked Jesus if he was the One... Jesus gave him Confirmation... God doesn't Show favoritism.

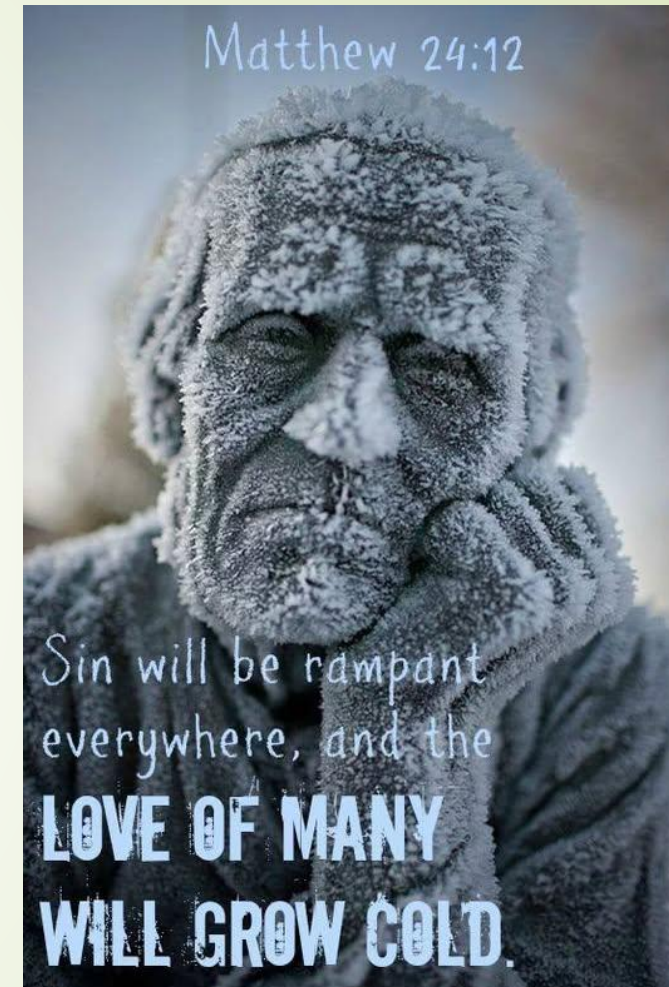

# Questions in this Chapter, that burn on people's hearts, especially when they are bumped by death, war, their mortality, etc.

- ▶ Jesus' Name makes it clear his purpose. **Satan Means Adversary** to God His eternal plan, **Jesus means God is completed Salvation-** Deliverance from and Enemy. Our Enemy comes to kill, steal and Destroy... SO Jesus comes to give life, give good gifts and to build us up.
- ▶ Disciples are NOT just students... Budha had students. Jesus had Disciples who are more like enthusiastic Soldiers or as I mentioned before volunteer first responders. Disciples by their inner choices, and inner nature, and inner clothing.
- ▶ This Brings up Questions those who are facing Trauma, Need to fill their cups once they are spilled by the things of the world, and God is calling us to share how we do it...
- ▶ Examples?
  - ▶ What makes Jesus different from other Religious leaders? A category of one? WHY?
  - ▶ Are we in the End times? Matt 24
  - ▶ <sup>3</sup> As Jesus was sitting on the Mount of Olives, the disciples came to him privately. **"Tell us," they said, "when will this happen, and what will be the sign of your coming and of the end of the age?"**

<sup>10</sup> At that time many will turn away from the faith and will betray and hate each other, <sup>11</sup> and many false prophets will appear and deceive many people. <sup>12</sup> Because of the increase of wickedness, the love of most will grow cold, <sup>13</sup> but the one who stands firm to the end will be saved. <sup>14</sup> And this gospel of the kingdom will be preached in the whole world as a testimony to all nations, and then the end will come.

- ▶ What Happens to me when I die? / People like my cousin who died young? Why?
- ▶ If my Good Outweighs my bad, am I going to Heaven? Why or Why not?
- ▶ Does God have favorites?

How do you deal with the struggles you have had to bear in your life and still have hope?

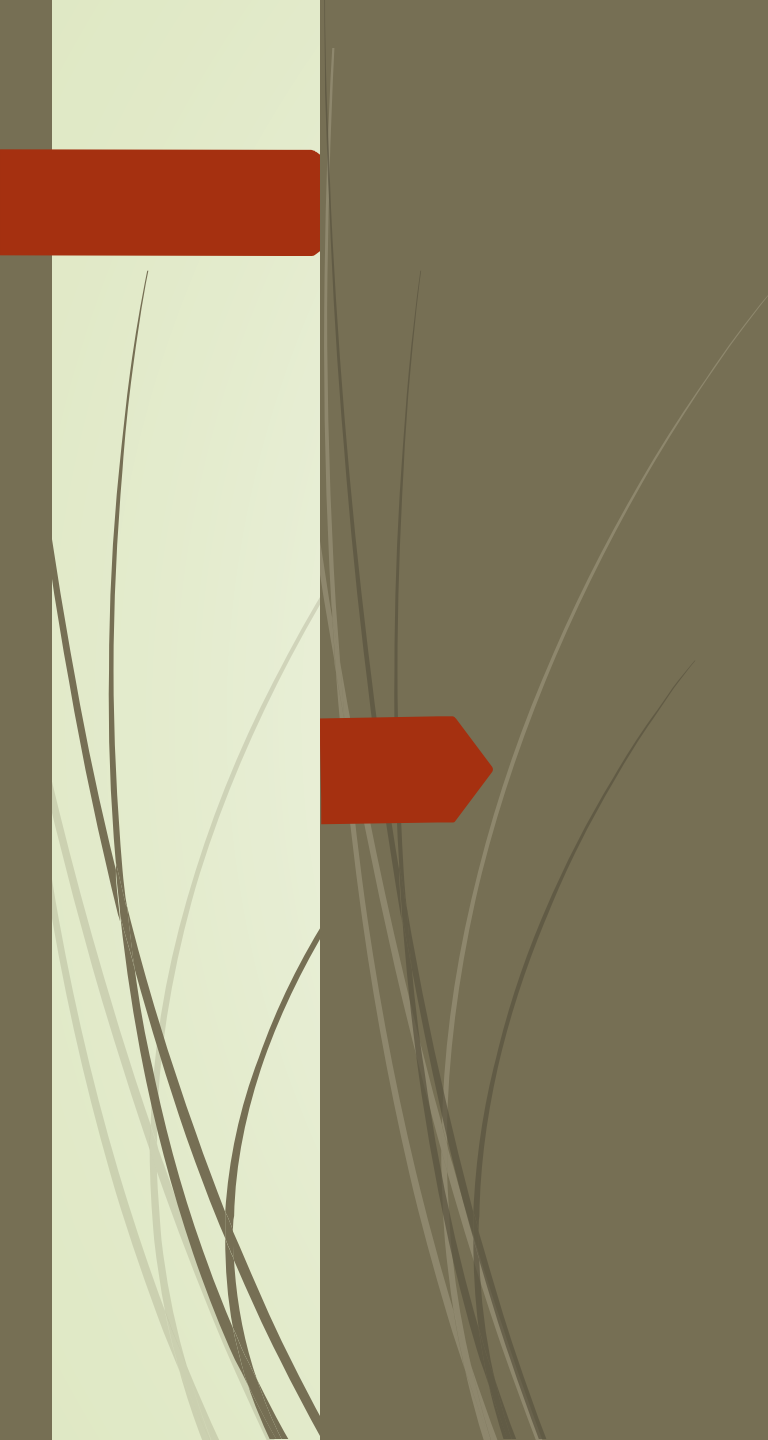

# Becoming a category of one means to answer questions like no one else!

- ▶ Questions are what we should be answering, but remember, sometimes people have the wrong Questions....
- ▶ People ask questions from what is in their cups. Anger, pain, Guilt, figs... Can Hitler be saved, is often based on what I have done.. Can I be saved even if I have messed up a lot...?
- ▶ People's perspective often comes from the world from which they have lived all their lives. We must meet them where they are. Jesus' answers and sermons all pointed that we are going to sin, but sin's payment is finished. Jesus already made the last payment for sin... We see the 10 commandments as rules not to be broken, but really they are covenant requirements... Family rules. When someone doesn't make up the bed they don't get kicked out of the house.... If they get arrested, or hurt someone, they feel like they can't come back... We have to let them know they are always welcome because when we messed up we came back.
- ▶ John the Baptist.... And the prodigal son... John the Baptist asked the pharisees who warned them that they should repent...? That the Axe is at the base of the tree... This is not because they broke the rules, but they didn't understand a God of Love and mercy, but insisted on loving God on Their terms... Like the prodigal son's brother. Only he went into the party... When his cup was bumped, he came home... The answer to the questions people have is simple... Come home internally. There is nothing you can do externally to win God's favor... That job is already finished.

# Icebreaker, Questions and Answers

- Ice breaker, Sheila will not be here... Favorite or impactful scripture you have or dwelling on recently?
- Why do you have to tough on infections?
- What Questions do you have or know others have about the afterlife?
- How can people want “heaven” ( the good things about heaven) without Jesus?
- What does it look like to have God fill our cups when trials come, and how does that help define who we are? And how we can overcome wanting heaven but not God?

## Preview of Our Final week...

### Like Jesus we are more than Physical beings...

### The Ascension and His return

1. We are beings that live beyond our physical bodies. The enemy of the Physical Body is Death, But Jesus defeated that enemy and that is how Resurrection can happen.
2. We are limited in power but not in authority. We have the Authority to Follow Jesus or Not.
  - A. Authority ( has responsibility attached to it. We must Choose. To serve the community and pay taxes... or not, like many rich people... Jury Duty, Driving the Speed limit... Other Adult Choices? And Adult connections to the community choices?
  - B. Responsibility had accountability attached to it,
  - C. Accountability with beings that are more than Physical, but because of past choices must deal with Death has to have some staging areas for long term accountability.
3. There are lots of ideas about the end times, The Millenium, the Rapture, No Millenium, etc. But we know we will be changed when Jesus returns...

# STRATEGIES TO AVOID DECEPTION

## MATT 24: 4-8

- **Practice Critical Thinking Like the Bereans**

Critical thinking is Questioning truths that come from EVERYONE... The Bereans, described in Acts 17:10-15, were Jews in the city of Berea known for their "noble character" because they received Paul's teaching with eagerness and diligently examined the Scriptures daily to verify his message. They represent a model of discerning study and openness, testing teachings against Scripture rather than relying on hearsay.

- **Verify and Cross-Check PRIORITIES and AGENDA's First as well as FACTS and Biblical Frames**

Always verify sources and cross-check Concepts with Scriptures, but Remember Jesus always focused on Big picture issues, not secondary issues... For example, Abortion, LGTBQIA+ Migrant Issues as litmus tests used to divide people (Like in Jesus' Day was Divorce OK and If you had to become Jewish to be Saved) . Those Questions were answered, but Jesus' Name means God is Salvation

- **Identify Manipulation Tactics**

Stay alert for tactics like misleading statistics or emotional appeals, which can distort reality and deceive.

# More End Times Questions and timelines

- ▶ What is the Millenium? Rev. 20
- ▶ What happens in Thessalonians when the Dead in Christ shall rise?
- ▶ How Accurate is the Bible? What if Nostradamus Predicted there being a Leader Named Hister ( Which probably was more likely meaning the Danube region, not a person...) The prophet Isaiah explicitly prophesied about [Cyrus the Great](#), By his Persian name.. The founder of the Persian Empire, naming him roughly 150 years before his birth. In Isaiah 44:28 and 45:1-6, God refers to Cyrus as "My shepherd" and "My anointed one" (Messiah), declaring he would conquer Babylon, free the Jewish exiles, and rebuild Jerusalem. It would be like Sojourner Truth saying there would be a black president Named Obama in the US.
- ▶ Daniel Predicted the next 4 world Empires and the Coming of the Messiah so accurately that people 400 years later were looking for him... Both a Nova and A comet occurred around 5 & 4BC that was confirmed by multiple Astronomers Including Persia and China
- ▶ What will the new heaven and earth look like? A big Cube on earth? Luke 24- 60 Stadia to Jerusalem... The New Jerusalem 1600 Stadia... More to come...

**Nostradamus' prophecies are generally considered highly inaccurate or vague** by academics, holding only about a 7% success rate (often based on selective interpretation). His 16th-century quatrains are cryptic and commonly interpreted *after* events occur. While some see hits, skeptics argue they are too ambiguous for genuine prediction.
